Management and the Board of Directors  
Arts and Technology Academy of Pontiac  
Pontiac, Michigan

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Arts and Technology Academy of Pontiac (the Academy) as of and for the year ended June 30, 2024. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated May 9, 2024. Professional standards also require that we communicate to you the following information related to our audit.

We discussed these matters with various personnel in the Academy during the audit including management. We would also be pleased to meet with you to discuss these matters at your convenience.

## **Significant Audit Matters**

### **Qualitative Aspects of Accounting Practices**

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Academy are described in the footnotes of the financial statements. The Academy has adopted the following Governmental Accounting Standards Board Statements effective July 1, 2023:

- Statement No. 100, *Accounting Changes and Error Corrections*, improves the clarity of the accounting and financial reporting requirements for accounting changes and error corrections, which will result in greater consistency in application in practice. More understandable, reliable, relevant, consistent and comparable information will be provided to financial statement users for making decisions or assessing accountability. Additionally, the display and note disclosure requirements will result in more consistent, decision useful, understandable and comprehensive information for users about accounting changes and error corrections.

We noted no transactions entered into by the Academy during the year for which there is lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Academy's financial statements were:

- The useful lives of its capital assets. Useful lives are estimated based on the expected length of time during which the asset is able to deliver a given level of service.
- Right of use assets and lease liabilities. The estimate is based on management's assessment of the likelihood of exercising renewal options and utilizing interest and discount rates.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

Disclosures in the financial statements are neutral, consistent and clear.

We have identified the following significant risks of material misstatement as part of our audit planning:

- Management override of controls
- Improper revenue recognition
- Use of management company

### **Accounting Standards and Regulatory Updates**

The Governmental Accounting Standards Board has released additional Statements. Details regarding these Statements are described in the footnotes of the financial statements.

### **Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### **Corrected and Uncorrected Misstatements**

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial and communicate them to the appropriate level of management. Management has corrected all such misstatements.

In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

There were no known uncorrected misstatements that were more than trivial.

### **Disagreements with Management**

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

### **Management Representations**

We have requested certain representations from management that are included in the management representation letter dated as of the date of the audit report.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Academy's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### **Other Audit Findings or Issues**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Academy's auditors. However, these discussions

occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## **Other Reports**

Other information that is required to be reported to you is included in the: Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditors' Report on Compliance For Each Major Federal Program; Independent Auditors' Report on Internal Control Over Compliance; Independent Auditors' Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance; and the Schedule of Findings and Questioned Costs. Please read all information included in those reports to ensure you are aware of relevant information.

## **Report on Required Supplementary Information**

We applied certain limited procedures to management's discussion and analysis and the remaining required supplementary information (RSI) as described in the table of contents of the financial statements that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

## **Report on Other Supplementary Information**

We were engaged to report on other supplementary information as described in the table of contents of the financial statements, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

## **Restriction on Use**

This information is intended solely for the information and use of the Board of Directors and management of the Academy and is not intended to be, and should not be, used by anyone other than these specified parties.
